Merry Christmas!

Arranging a Christmas party can be hard work so we're taking the stress out of it!

We have set menus starting at £15.00 per person which can be tailored to suit your party.

For parties of 11 or over we have a selection of sharing menus.

This way everyone gets to try lots of different things. You'll get several different pizzas along with sides and salads.

If you want to add a drink or two then that can also be arranged...After all...It is Christmas!

For a bigger party we can also do an exclusive hire package...
Get the restaurant all to yourselves!
