Pizza/Bar/Social

Arranging a Christmas party can be hard work, Urbano32 has the answer to all your Christmas party needs. Whether it be a office knees up, a family get together or a smaller intimate affair we would love to host your event.

We have an amazing set menu that caters for all parties of 10 or more. Smaller parties can eat from the a la carte menu or the set menu if preferred. We have lots of extras to make the night special from fizz on arrival to an Urbano32 signature cocktail or a festive mince pie with coffee to end the night...After all it is Christmas.

Now, with the addition of Upstairs @ Urbano32 we have a new space that can be ALL YOURS. The room can hold 40 guests & we also have the option of the private dining area with its own bar, where we can seat up to 12 people.
